CAMPS AND EXCURSIONS POLICY

This policy applies to all camps and excursions organised by Mirboo North Secondary College. This policy also applies to adventure activities organised by Mirboo North Secondary College, regardless of whether or not they take place on or off school grounds, and to school sleep-overs.

This policy is intended to complement the Department's policy and guidelines on excursions, camps and adventure activities which all Victorian government schools are required to follow. Mirboo North Secondary College will follow both this policy and the Department's policy and guidelines when planning for, and conducting camps and excursions.

This policy does not apply to student workplace learning or intercampus travel.
