CHILD SAFETY CODE OF CONDUCT

Our Child Safety Code of Conduct sets out the expected behaviour of adults with children and young people in our school.
All Mirboo North Secondary staff, volunteers, contractors, service providers, school council members and any other adult involved in child-connected work must follow the Child Safety Code of Conduct.
The Child Safety Code of Conduct applies to all physical and online environments used by students. It also applies during or outside of school hours and in other locations provided by the school for student use (for example, a school camp).
