MIDDLE SCHOOL BOOKLISTS

If any additional information is required please contact the Middle School team via the college office.

Campion Education is the school booklist and stationary supplier for 2026. Details can be viewed by logging into the supplier website on the 2026 Campion Education Online Ordering Guide

Orders placed by 19th December 2025 get the first choice of availability, best available postage and packing costs, and are delivered before the start of school.

If you miss the due date, you can still order in store or via the internet, however Campion can't always guarantee stock availability for orders placed after the due date, and postage costs may be higher.

Booklists for 2026 have been made live on the Campion Education website and ready for families to place their orders.
