

MIRBOO NORTH SECONDARY COLLEGE ALUMNI

The Alumni seeks to facilitate and promote the continuity of relationship between members with:

- One another
- The college and its current students and staff
- The wider community
- Sometimes past students are invited to address Year Nine and Eleven informing the current cohort about careers followed after leaving school.

The College is proud to acknowledge our Alumni Patrons:

- Margaret Peters (1954)
- Arthur Lucas (1959)
- Owen Hegarty (1964)
- Alicia Gardiner (1993)
- Belinda Snell (1998)

Our College has an active Alumni association, supported by the able Liz Hall who helps assists a year level host to organise their reunions. If you require further information, please contact Liz Hall [via email](#) or on [the dedicated Facebook alumni group page](#) which was originally set up to keep contact with past students and staff. Information on reunions appears in the events section on FB. Alternatively, you can also use the [Mirboo North Secondary College Facebook page](#) to find more information.

Alumni reunions that will take place this year will be posted to this page as dates firm up, so watch this space!
