

SPORT

Mirboo North Secondary College punches above its weight in the Sporting arena. The past decades have seen students compete at not only State but on an International level.

The School itself performs very well in our local South Gippsland Region and is a regular recipient of both the handicap and aggregate athletic shields. Our fast paced relay teams are the envy of South Gippsland as they receive experienced coaching and practice on high class facilities. We also feature an array of team sports on the school sporting calendar so all students can develop their chosen sporting talents.

Our internal House sporting carnivals are a sporting engagement triumph where all students want to actively participate no matter their sporting ability. The House spirit is a vibrant part of our school community and is regularly celebrated with house fashions on the field, assisting the running schedule for the day or the events themselves.

Our students regularly engage in and organised healthy lunch time competition which is a round robin event that encompass such sports as volleyball, basketball, hockey, netball, soccer and more.

Inter School Sporting opportunities include:

- Swimming
- Cross country
- Athletics
- AFL
- Basketball
- Tennis
- Soccer
- Netball
- Cricket
- Skiing
- Clay Shooting
- Golf
- Lawn Bowls
- Equestrian
