

Mirboo North Secondary College

Year 12 - 2024

Dear Parent/ Guardian/ Caregiver

Mirboo North Secondary College is looking forward to another positive year of teaching and learning and would like to advise you of the school's voluntary financial contributions for 2024.

All students access free education and access to all items and services they need to fulfil the standard curriculum requirements. However, the cost of high quality classes can be higher than the money we receive from the Department of Education, so we ask for optional payments from our school community to support the school and every student

We design our classes to try and meet the wide variety of interests and passions our students have and are committed to high quality learning programs. The optional payments we receive from parents and care givers like you means we can offer the best education and support for our students.

There are two categories you can support the school with optional payments including:

1) **Curriculum Contributions-** items that students use to complete their work such as:

- Art materials
- Chemicals for use in science
- Wood, clay, paper, pencils, food ingredients
- Online learning tools such as Stile, Mathletics, Education Perfect and Sparx

2) **Other Contributions-** items not directly related to their work such as:

- Contributions towards general class resources
- Lockers
- Student welfare to support our students mental health

Due to the nature of optional payments we will not send an invoice. But if you do wish to donate to the school payments please follow the attached Compass Instruction Guide or contact our office on: 56 67 9000. If you are able to donate, we welcome full or part payments over time that suits your financial needs which can be organised through the school or the Compass portal.

Extra-Curricular Contributions- are on a user-pays basis.

This includes optional Excursions and Camps but also includes classes such as:

- Band
- Music program

Invoices will be sent home for these activities.

For more information on the Department of Education Parent Payment Policy please see a one-page overview attached.

Thank you for considering donating to the school and we can't wait for another exciting and productive chapter in 2024.

Yours sincerely,

Vaya Dauphin
Principal
